

HOST FAMILIES NEEDED

The City of Dewitt/Dewitt Charter Township Sister City Community Board is looking for DeWitt families to host guests who are traveling to Michigan as part of the Michigan-Shiga (Japan) Goodwill Mission. The Goodwill Mission celebrates the sister-state relationship between Michigan and Shiga, Japan, which began in 1968! Shiga guests will be in DeWitt from November 13 to 17, 2026. During one of those days, the City and Township have special activities for our guests; the other days families are free to plan their own activities.

If your family would like to share our Michigan culture and customs and learn about Japanese culture and custom, this is a wonderful opportunity! Past DeWitt host families have formed lifelong friendships with their guests as a result of this experience. Take advantage of the joy that many of our citizens have already experienced as former host families!

If you are interested in serving as a host family, please contact Dawn Pysarchik, dawnpysarchik@gmail.com or the Clerk's Office at the City of DeWitt or DeWitt Township.
