REPORT TO CITY ADMINISTRATOR

November 19, 2026

SUBJECT:
Purchase of a new truck mounted leaf box.

SCOPE:
Replace 15-year-old Tarco 10' truck mounted Leaf box.

BACKGROUND:
For approximately six weeks each fall The Department of Public Service has used two truck mounted leaf boxes during peak leaf drop for the Cities curb side leaf collection program. The 10' leaf box we are seeking a replacement for is 15 years old and showing its age.

In 2021 the city purchased 14.5 Cubic yard Titan KDLB10 leaf box from Bell Equipment (Now MacQueen Equipment) for $7,078,50**.** The 10' Titan leaf box I'm requesting to purchase this year is the same make and model that we have been using for the last 6 years. I believe it will be a suitable replacement for our 15-year-old rusting Tarco leaf box. MacQueen Equipment has a lightly used Titan KDLB10 demo leaf box available for **$7,929.00**. MIDEAL pricing for the same new leaf box is $10,000. Funds are available in the FY 2026/2027 Motor Pool Capital Outlay DPS Fund for this purchase.

MIDEAL QUOTE RECEIVED:	**TOTAL:**
MacQueen Equipment	**$7,929.00**

RECOMMENDATION:
I am recommending the purchase of a new Titan KDLB10 14.5 Cubic Yard leaf box from MacQueen Equipment Company for a total of $7,929.00

RE: Approval of Wildflower Meadows Number 4 Final Plat

FACTS: The Planning Commission reviewed the final plat for Wildflower Number 4 at their meeting on November 19 and is recommending approval of the final plat.

The developer Mayberry Homes submitted application for the final plat approval on August 20, 2026 and City Council approved the final plat on September 28, 2026.

That plat went to the Clinton County Drain Commissioner for approval and they had requested some amendments to the Plat.

The amendments requested by the Drain Commissioner are highlighted on the attached plans for City Council's review.

The majority of the amendments are minor in nature; adding "public" to the storm water easement language. The Drain Office did request that the Storm Water Easement on Maeve Park be removed from the plat, due to that being a conservation area and does not contain storm water infrastructure.

In reviewing the original site plan from 2002-2003, that does look to be the intent of that area, so I believe the Drain Office is correct in having that language removed.

If approved, the plat would be sent to the Clinton County Clerk for approval by the Clinton County Commissioners.

RECOMMENDED ACTION: Approval of the amended Final Plat for Wildflower Meadows Number 4 and authorize the City Clerk, Alyssa Ramirez, to sign on behalf of the City of DeWitt and forward signed plat documents to the Clinton County Clerk.
